

Carlos Bueno

Lincoln, NE | 402-831-0182 | cbueno340@gmail.com

EDUCATION

BS in Computer Science

University of Nebraska-Lincoln

Expected Graduation: May 2025

Organizations/Awards: Multicultural Engineering, CSAB, SHPE

Relevant Coursework: Software Engineering; Data & Network Security; Database Systems

EXPERIENCE

Cybersecurity Analyst Intern | Ameritas

02/24 to Current

- Directed and maintained clear, up-to-date SOPs for security operations.
- Led GCP asset hardening by identifying and resolving high-priority compliance issues.
- Supported timely file restores and system integrity with the engineering team.
- Monitored security alerts and conducted investigations to perform incident response.
- Led security-focused scrum meetings.
- Used ELK (Elastic Stack) for SIEM log analysis and enhanced threat detection.
